Is the Harvest Plentiful? Yes

The question could be; are we doing enough of the right things?

What is it like for a child to come to Church here?

What is it like to be a parent here?

What's is it like to be part of the team here?

What does the building say from the outside/ inside? Can you see that children and families are here?

What does the website and social media pages say?

Are we out in the streets, in the land, are we meeting with families outside of the Church buildings, where they are?

Philippians 4:6

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.
